## Index to Volume VI, 1965

- Abramson, Harold A. and Peshkin, M. Murray: Psychosomatic group therapy with parents of children with intractable asthma III. Sibling rivalry and sibling support. 161
- Addiction or drug-dependence? Edwin N. Terry. 241
- Adolescent patient in medical practice. The: Social and emotional characteristics. Sidney L. Green. 397
- Agin, Henry V.; Greenblatt, I. J.; Agin, Martin J.: A double-blind study of desipramine (norpramin) with imipramine (tofranil) with clinical, psychological observations and cross-overs. 320
- Agin, Martin J.; Agin, Henry V.; Greenblatt, I. J.: A double-blind study of desipramine (norpramin) with imipramine (tofranil) with clinical, psychological observations and cross-overs. 320
- Amitriptyline hydrochloride, Case of adult enuresis successfully treated with. Irwin S. Finkelstein. 173
- Amitriptyline in treatment of hyperkinetic children: A double-blind study. Adam J. Krakowski. 355
- Amphetamine medication, The hazard of. Carl Breitner. 217
- Anoretics, How reliable are patients in judging? John L. Opdykes, Jr. 410
- Antidepressant, a new, MK-240, protriptyline, vivactil® hydrochloride, Clinical experience and a double blind study of. E. Adams Daneman. 342
- Antidepressant therapy, Current. Edwin Dunlop. 309
- Antidepressant-tranquillizer therapy of mixed psychiatric syndromes, Combined. Paul E. Feldman. 312
- Antidepressant, Vivactil (protriptyline): A new and potent. Nathan S. Kline and Elizabeth Hackett. 330
- Antidepressants, Reactions on the specificity of action of. Leo E. Hollister and John E. Overall. 361
- Anxiety and depression, A double-blind study in a group of patients with (Abstract). Raymond O. West. 374
- Anxiety and depression, Management of office patient with. Robert S. Warner. 347
- Anxiety and depression, Proceedings of third symposium on. 253-381
- Anxiety and depression, The quantitative analysis of. Monte Jay Meldman. 8
- Anxiety states and other neurotic disorders, Chemotherapy of symptoms of chronic. Francis A. Vazuka and Blaine E. McLaughlin. 73
- Anxiety, Suppression of, with oxazepam in a private psychiatric practice. A. J. Krakowski. 26
- Anxious student volunteers, Comparative effects of oxazepam in "high" and "low." Alberto DiMascio and James Barrett. 298
- Asthma, Psychosomatic group therapy with parents of children with intractable. III. Sibling rivalry and sibling support. Harold A. Abramson and M. Murray Peshkin. 161
- Barrett, James; DiMascio, Alberto: Comparative effects of oxazepam in "high" and "low" anxious student volunteers. 298
- Barringer, Thad J.: Desipramine (pertofrane) in the treatment of depression. 326
- Behavior disorders in children, Some thoughts on Panel discussion: Differential diagnosis of mental retardation, childhood schizophrenia, and behavior disorders. Thaddeus P. Krush. 188
- Bellak, Leopold: Intensive design and the psychoanalytic process. 287
- Berblinger, Klaus W.: Psychiatric postgraduate education for non-psychiatrists. 381
- Bergen, John R.; Dunlop, Edwin; DeFelice, Eugene A.; Resnick, Oscar: The relationship between MAO inhibition and improvement of depression; preliminary results with intravenous modaline sulfate (W3207B). 1
- Berger, Milton M. and Gallant, Donald M.: The use of closed-circuit television in the teaching of group psychotherapy. 16
- Bernstein, Irving C.: A case of hypothyroidism presenting as a psychiatric illness. 215
- Bialow, Martin; Duggan, Vivian; Davis, Brian; Schwab, John J.; Clemmons, Roy S.: A study of the somatic symptomatology of depression in medical patients. 273
- Birds, Valentine G.; Waltmann, Robert H.: Role of the electronic computer in clinical medicine. 277
- Bluestone, H.; O'Malley, E. P.: Trials and tribulations in conducting a drug study in a women's prison. 95
- Boenheim, Curt; Pine, Irving; Todd, William E.: Signs of countertransference problems in co-therapy groups. 79
- Bowes, H. Angus: The role of diazepam (valium) in emotional illness. 336
- Brain syndrome, chronic, A new drug (tybamate), effective in management of. Francis H. Stern. 316
- Brandt, R. J.: The psychologist in the diagnostic team. Panel discussion. 191
- Breitner, Carl: The hazard of amphetamine medication. 217
- Bruxism as an emotional reactive disturbance. Shlomo Shapiro and Jacob Shannon. 427
- Burrows, W. G.: Psychosomatic disorders in prospective immigrants to Canada: An epidemiological study. 156
- Bursten, Ben: Psychosocial stress and medical consultation: some mediating mechanisms. 100
- Case of adult enuresis successfully treated with amitriptyline hydrochloride. Irwin S. Finkelstein. 173
- Case of hypothyroidism presenting as a psychiatric illness. A. Irving C. Bernstein. 215
- Chalke, F. C. R.: Effect of psychotherapy for psychosomatic disorders. 125
- Challenge to all physicians. Problems in psychosomatic diagnosis IV. John J. Schwab, Roy S. Clemmons, Frank R. Freeman, Meredith L. Scott. 198
- Chassen, J. B.: Intensive design in clinical research. 289
- Chassan, J. B.; Ryan, Frank; McLaughlin, Blaine E.: Single case studies, The, comparing diazepam and meprobamate: An application of intensive design (Abstract). 295
- Chemotherapy of symptoms of chronic anxiety states and other neurotic disorders. Francis A. Vazuka and Blaine E. McLaughlin. 73
- Child, emotionally ill, Outpatient treatment of: A comparison of two psychotropic agents. Adam J. Krakowski. 402
- Childhood enuresis, A clinical trial of protriptyline in. Alvin F. Poussaint and Keith R. Dittman. 413
- Childhood schizophrenia, Developmental disturbances in. Panel discussion: Differential diagnosis of mental retardation, childhood schizophrenia, and behavior disorders. Sol Nichtern. 189
- Children, hyperkinetic, amitriptyline in treatment of: A double blind study. Adam J. Krakowski. 355
- Children, school, Psychiatric problems in elementary and secondary. Panel discussion: Differential diagnosis of mental retardation, childhood schizophrenia, and behavior disorders. Frederick J. Wertz. 194

- Chronic brain syndrome, A new drug (tybamate), effective in management of. Francis H. Stern. 316
- Chronic toxicologic evaluation of hydroxyphenamate and possible synergism with phenothiazines. M. J. Miller, R. Shettel, H. T. Fiedler. 340
- Clement, W. R.; DeLemos, Gaston P.; Nickels, Eugene: The psychiatric nurse as a clinical research technician. 434
- Clemmons, Roy S.; Bialow, Martin; Duggan, Vivian; Davis, Brian; Schwab, John J.: A study of the somatic symptomatology of depression in medical patients. 273
- Clemmons, Roy S.; Scott, Meredith L.; Fremon, Frank R.; Schwab, John J.: Problems in psychiatric diagnosis (series). I. A controlled study of the inpatient. 369(1964) II. Severity of medical illness and psychiatric consultations. 69 III. Physical examinations, laboratory procedures, and psychiatric consultations. 147. IV. A challenge to all physicians. 198
- Clinical and basic evaluations of various groups of psychotropic drugs, Comparative. Harold E. Himwich. 254
- Clinical experience and a double blind study of a new antidepressant, MK-240, protriptyline, vivactil® hydrochloride. E. Adams Daneman. 342
- Clinical medicine, Role of the electronic computer in. Robert H. Waltmann and Valentine G. Birds. 277
- Clinical research, Intensive design in. J. B. Chassan. 289
- Clinical research technician, The psychiatric nurse as a. W. R. Clement; Gaston P. DeLemos; Eugene Nickels. 434
- Clinical trial of protriptyline in childhood enuresis, A. Alvin F. Poussaint and Keith S. Ditman. 413
- Combined antidepressant-tranquilizer therapy in mixed psychiatric syndromes. Paul E. Feldman. 312
- Combined therapy with a new drug, elavil (amitriptyline) and trilacon (perphenazine) in a medical office setting. Samuel R. Splitter. 322
- Comparative clinical and basic evaluations of various groups of psychotropic drugs. Harold E. Himwich. 254
- Comparative effects of oxazepam in "high" and "low" anxious student volunteers. Alberto DiMascio and James Barrett. 298
- Comparing diazepam and meprobamate, The single case studies: An application of intensive design. (Abstract) Blaine E. McLaughlin, J. B. Chassan, Frank Ryan. 295
- Comprehensive management of patients with emotional illness, The. Wilfred Dorfman. 318
- Computer, electronic, Role of, in clinical medicine, Robert H. Waltman and Valentine G. Birds. 277
- Concept of disease, A general. Monte Jay Meldman. 383
- Consultation, medical, Psychosocial stress and: some mediating mechanisms. Ben Bursten. 100
- Consultations, psychiatric, physical examinations, and laboratory procedures. Problems in psychosomatic diagnosis III. John J. Schwab, Roy S. Clemmons, Meredith L. Scott, Frank R. Freemon. 147
- Consultations, psychiatric, Severity of medical illness and. Problems in psychosomatic diagnosis II. John J. Schwab, Roy S. Clemmons, Meredith L. Scott, Frank R. Freemon. 69
- Coreopsis, report on. (A rare? disease?) satire. Wilfred Dorfman. 111
- Co-therapy groups, Signs of countertransference problems in. Irving Pine, William E. Todd, and Curt Boenheim. 79
- Countertransference problems in co-therapy groups, Signs of. Irving Pine, William E. Todd, and Curt Boenheim. 79
- Crying and weeping in emotional and psychosomatic illness. Robert L. Sadoff. 229
- Current antidepressant therapy. Edwin Dunlop. 309
- Daneman, E. Adams: Clinical experience and a double blind study of a new antidepressant, MK-240, protriptyline, vivactil® hydrochloride. 342
- Davis, Brian; Schwab, John J.; Clemmons, Roy S.; Bialow, Martin; Duggan, Vivian.: A study of the somatic symptomatology of depression in medical patients. 273
- DeFelice, Eugene A.; Dunlop, Edwin; Bergen, John R.; and Resnick, Oscar: The relationship between MAO inhibition and improvement of depression: preliminary results with intravenous modaline sulfate (W3207B). 1
- DeLemos, Gaston P.; Nickels, Eugene; Clement, W. R.: The psychiatric nurse as a clinical research technician. 434
- Depressed patient, Management of the. Robert S. Garber. 63
- Depression, Desipramine (pertofrane) in the treatment of. Thad J. Barringer. 326
- Depression in medical patients, A study of the somatic symptomatology of. John J. Schwab, Roy S. Clemmons, Martin Bialow, Vivian Duggan, Brian Davis. 273
- Depression, The quantitative analysis of anxiety and. Monte Jay Meldman. 8
- Depression, The relationship between MAO inhibition and improvement of: preliminary results with intravenous modaline sulfate (W3207B). Edwin Dunlop, Eugene A. DeFelice, John R. Bergen, and Oscar Resnick. 1
- Depression-tension states, A multiple approach to the management of. Joseph L. Knapp. 166
- Depressive states, Problems of differential diagnosis and choice of therapy in. Heinz E. Lehmann. 266
- Dermatology, Psychogenic aspects of: A clinical trial of norpramin. Mitchell Ede. 376
- Design, Intensive, and the psychanalytic process. Leopold Bellak. 287
- Desipramine (norpramin) with imipramine (tofranil), A double-blind study of, with clinical, psychological observations and cross-overs. Henry V. Agin, I. J. Greenblatt, Martin J. Agin. 320
- Desipramine (pertofrane) in the treatment of depression. Thad J. Barringer. 326
- Developmental disturbances in childhood schizophrenia. Panel discussion: Differential diagnosis of mental retardation, childhood schizophrenia, and behavior disorders. Sol Nichtern. 189
- Diagnosis, The importance of. Panel discussion: Differential diagnosis of mental retardation, childhood schizophrenia, and behavior disorders. Adam J. Krakowski. 187
- Diagnosis, Problems of differential, and choice of therapy in depressive states. Heinz E. Lehmann. 266
- Diagnosis, psychosomatic, Problems in (series). John J. Schwab, Roy S. Clemmons, Meredith L. Scott, Frank R. Freemon. I. A controlled study of the inpatient. 369(1964) II. Severity of medical illness and psychiatric consultations. 69 III. Physical examinations, laboratory procedures, and psychiatric consultations. 147 IV. A challenge to all physicians. 198
- Diagnostic team, The psychologist in the. Panel discussion: Differential diagnosis of mental retardation, childhood schizophrenia, and behavior disorders. R. J. Brandt. 191
- Diazepam and meprobamate, comparing, The single case studies: An application of intensive design

- (Abstract). Blaine E. McLaughlin, J. B. Chassan, Frank Ryan. 295
- Diazepam (valium), The role of in emotional illness. H. Angus Bowes. 336
- Differential diagnosis of mental retardation, childhood schizophrenia, and behavior disorders, Panel on: 187
- The importance of diagnosis. Adam J. Krakowski. 187
- Some thoughts on behavior disorders in children. Thaddeus P. Krush. 188
- Developmental disturbances in childhood schizophrenia. Sol Nichtern. 189
- The psychologist in the diagnostic team. R. J. Brandt. 191
